

A. Data Sharing

I request the following records:

- 1) The names of agencies and organizations with which the Department shares ALPR data;

***The Chandler Police Department does not share ALPR data.***

- 2) The names of agencies and organizations from which the Department receives ALPR data;

***The Chandler Police Department does not receive ALPR data from other agencies or organizations.***

- 3) The names of agencies and organizations with which the Department shares "hot list" information;

***The Chandler Police Department does not share 'hot list' data.***

- 4) The names of agencies and organizations from which the Department receives "hot list" information;

***The Chandler Police Department only receives 'hot list' information from the Arizona Department of Public Safety (DPS).***

- 5) Any written requests for ALPR data that the Department has received from other law enforcement or prosecutorial agencies, as per the Department's published ALPR policy

***The Chandler Police Department is not set-up to receive data from other agencies through Vigilant.***

- 6) Documentation of approved requests for the release of ALPR data that the Department has retained on file, as per the Department's published ALPR policy.

N/A

B. Statistical Records

In order to understand the efficacy of the Department's use of LEARN, I seek the following records:

- 1) Statistical usage reports from Vigilant Solutions LEARN (for example, number of plates collected, number of plates accessed by city and by external entities)

***Attached as a pdf***

- 2) Any "Dashboard Hit Ratio Report," or the ratio of ALPR "detections" to "hits;"

***Attached as a pdf***

- 3) "Dashboard Hot-List Report," or the ratio of hot-list records from each data source;

***Attached as a pdf***

- 4) LEARN Administrator List Report.

***Attached as a pdf***

C. Agreements with Vigilant Solutions, L3 Alertvue, and/or Elsag We request the following records:

- 1) All agreements, MOUs, or other contracts with Vigilant Solutions, L3 Alertvue, and/or Elsag, including agreements made through Brite;

***The Chandler Police Department provided this information to your organization in 2016. There have been no changes since then.***

- 2) All agreements for sharing data with other entities through Vigilant Solutions' services, L3 Alertvue's services, and/or Elsag's services

***The Chandler Police Department does not share ALPR data.***

D. Policies, Procedures, and Accountability

Please provide all records that relate or refer to:

- 1) Training materials developed by the Department's training manager for those authorized to use or access the ALPR system, as per the Department's published ALPR policy;

***Training Powerpoints are attached***

- 2) ALPR system audits, as described in the Department's published ALPR policy. The above requests include all records that your agency possesses, regardless of who created them.

***The system automatically conducts internal checks. There is no known documentation for these automatic checks.***

3) Any policies, guidelines, procedures, training manuals and/or instructions created at any time on the use of ALPR technology and the use and retention of ALPR data, including records on where the data is stored, how long it is stored, who has access to the data, and how they access the data.

***The Chandler Police Department General Order (GO) regarding ALPR is attached.***
